## **Display Systems**

# The Banner Collection

A selection of tension, roller and cassette banners, offering style and quality at very affordable prices. All our banners are very easy to use, are reusable and are supplied complete with carry bag. Our cassette banners have the additional advantage of our replaceable graphic cassettes - ideal for promotional campaigns and retail display.

## Imagine

### Cassette Banner

With refined styling and a streamlined profile, Imagine is our most popular removable cassette roller banner.

- 750-2130mm (h) x 800/1000 (w) visible graphic area
- Available in anodised silver
- Quick-change graphic slider
- Ratchet graphic tensioner
- Suitable for banner substrates up to 450microns thick
- Universal Grippa / adhesive top rail
- Telescopic pole for adjustable height
- Anti-slip feet and integral pole storage

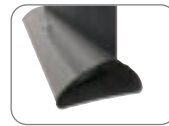

## Barracuda

### Roller Banner

A very popular, strong but stylish banner, proven as a reliable banner for regular use. Ideal for simple displays or exhibitions.

- 750-2130mm (h) x 800/1000 (w) visible graphic area
- Available in anodised silver
- Quick-change graphic slider
- Ratchet graphic tensioner
- Suitable for banner substrates up to 450microns thick
- Universal Grippa / adhesive top rail

## Excaliber 1 and 2

### Roller Banner

A popular and versatile banner ideal for exhibition or showroom graphic display.

- 750-2130mm (h) x 800-1000mm (w) visible graphic area
- Available in anodised silver
- Can be used as a single or double-sided unit
- Wide foot for extra stability
- Quick-change graphic slider
- Ratchet graphic tensioner
- Suitable for banner substrates up to 450microns thick
- Telescopic pole for adjustable height

## Lighting

### Tension Banner

A highly portable, versatile and cost effective banner that is lightweight, very stable and simple to use.

- Quick to assemble and easy to use
- Lightweight aluminium components
- Snap frame rails enable easy graphic changes
- Bungee pole provides consistent graphic height
- Includes carry bag/tube
- Available in 3 widths - 400, 800 or 1000mm & 2 heights - 1985 or 1500mm

## Pacific

### Roller Banner

A lightweight economy banner with slim base and bungee pole making it very compact, complete with twist out foot for extra stability.

- 2130 x 800/1000mm visible graphic area
- Reusable spring loaded rail clamp system for easy graphic application
- Available in anodised silver
- Twist out foot for stability
- Quick-change graphic slider
- Fixed height bungee pole

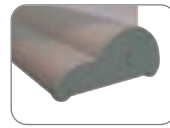

## Orient

### Roller Banner

This smart banner offers you a combination of style and stability at a very cost effective price - ideal for entry level retail or exhibition display.

- 2110 x 800/1000mm visible graphic area
- Reusable spring loaded rail clamp system for easy graphic application
- Anodised silver
- Stylish lightweight components
- Quick-change graphic slider
- Fixed height bungee pole

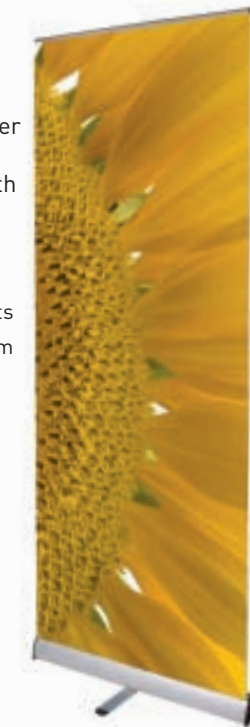

## Eco

### Roller Banner

An economy roller banner with designer base and bungee pole making it very lightweight and compact, complete with a twist out foot for extra stability.

- 2010 x 800/1000mm visible graphic area
- Funky shape with lightweight components
- Reusable spring loaded rail clamp system for easy graphic application
- Low profile hook/loop fastening for quick change graphic application
- Anodised silver with black end-plates
- Twist out foot for extra stability

## Original Banner 2

### Roller Banner

Ideal open design roller banner.

## Blizzard Outdoor Banner

An ideal outdoor banner for point of sale, retail display or exhibition environments.

- 2000 x 800mm max visible graphic area
- Hollow plastic base for water or sand
- Weather resistant
- Full adjustable graphic height and width
- Optional carry bag
- Graphic is supported on simple eyelet system

Illustration shows standard kits with additional components and accessories

# The Linear Collection

The Linear system consists of a unique range of aluminium frame profiles, components and accessories designed to offer the most cost-effective, flexible display solutions in the market. Kits are made as portable as possible using specially designed rigid, wheeled cases that hold components safely in place during transportation.

Linear display kits are ideal for all types of promotion, exhibition or semi-permanent display. As the kits are modular, they can be added to and reconfigured for multiple-use with the addition of a choice of accessories. Together with a **choice of graphic fixing options**, Linear systems can be created to fit the design and graphic media of your choice.

We have created a range of **standard display kits** for you to choose from, to satisfy a range of display applications.

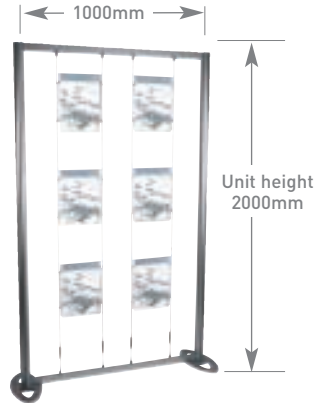

**PS1000 lights**

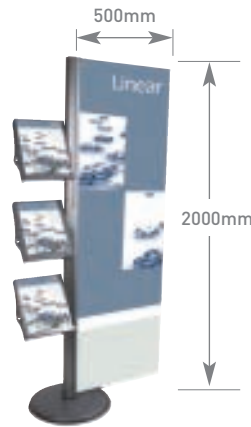

Finish off your display with lighting (page 10)

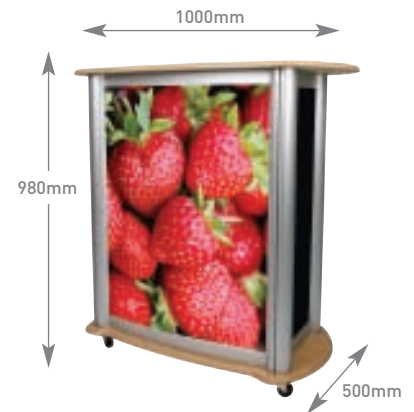

**Kit 1**  
Graphic fixing A

**Kit 3**  
(6 x A4 holders)
